**2019 NUCCA
Fundraising Campaign**

Dear Friends and Patients of NUCCA Upper Cervical Care:

Each year our professional research association, the Upper Cervical Research Foundation, conducts a month-long fundraiser, “**Small Steps to Success.**” This year, our 11th annual Small Steps Campaign runs from **November 1 - 30, 2019.** Our goal is to raise greater awareness and the needed funds to support our ongoing research efforts. Many NUCCA offices across North America are participating to help us reach this goal.

We are inviting our patients and friends to once again consider supporting our research efforts in any way they feel they can. We are sending this letter inviting you to participate. You may donate over the phone or when you are in our office. We are deeply grateful to those of you who wish to help out and participate.

Since 1971, the past generosity of our various donors has enabled us to move forward with innovative research in groundbreaking ways. In many instances, this has led us into new and unexplored territory working with researchers from many specialized disciplines.
