

**SMALL STEPS
TO SUCCESS**
Flexible Giving Program

**2022 NUCCA
Fundraising Campaign**

Dear Friends and Patients of NUCCA Upper Cervical Care:

Each year our professional research association, the Upper Cervical Research Foundation conducts a month-long fundraiser called “**Small Steps to Success**”. This year, our 14th Annual Small Steps Campaign runs from **November 1 to 30th, 2022**. Our goal is to raise greater awareness and the needed funds to support our ongoing research efforts. Many NUCCA offices across North America are participating to help us reach this goal.

We are inviting our patients and friends to consider once again supporting our research efforts in any way they feel they can. **Our goal for 2022 is to raise \$25,000 to fund the formation of a Posture Study the Research Board is preparing to undertake in 2023.** We are sending this letter inviting you to participate to support this area of research in the year ahead. You may do it over the phone or when you are in our office. We are deeply grateful to those of you who wish to help and participate.

Since 1971, the past generosity of our various donors has enabled us to move forward with innovative research in groundbreaking ways. In many instances, this has led us into new and unexplored territory working with researchers from many specialized disciplines.

UCRF Research Focus Areas for 2023

***NEW STUDY! - Upright
Posture Analysis Study***

**Radiographic
Positioning Study**

X-Ray Agreement Study

Concussion Paper

**Correction, Stability and
Quality of Life**

**Blood and CSF Flow
Study Data**

Concussion Case Series

**Migraine and C1 and C2
influence**

We invite you to be a part of making history with us by simply sending a donation that fits for you.

Thank you for your kind consideration of supporting our research and the future of NUCCA care for many generations to come!

Sincerely,

Dr. _____

DONATION FORM
