SMALL STEPS TO SUCCESS
Flexible Giving Program

# 2025 UCRF Fundraising Campaign

Dear Friends of NUCCA Care,

This November, the Upper Cervical Research Foundation (UCRF) will host its 17th Annual Small Steps to Success Campaign (November 1–30, 2025). Each year, NUCCA offices across North America come together to raise awareness and funds to support vital NUCCA research.

Thanks to the generosity of patients and friends like you, we came closer to reaching our $85,000 goal last year. This year, we are building on that success to support new and ongoing studies in the 2025–26 period. Your contribution—large or small—directly helps advance evidence-based care and shapes the future of NUCCA practice.

**UCRF Research Focus Areas for 2025**

- **Anatometer / GSA Validation Study**
- **Radiographic Positioning Agreement Study – R.A.S. System**
- **The Optimal Correction of the ASC, Stability and Quality of Life Impact**
- **Prevalence of ASC Syndrome in the General Population**
- **Developing a NUCCA Practice-Based Research Network**
- **Student Research Mentoring Scholarships**
- **Ongoing Blood and CSF Flow Migraine Study Data Review**

***Together, Small Steps Create Big Change***

**Every donation makes a difference.** Thank you for helping us continue this important work. Together, we are shaping the future of NUCCA care for generations to come.

To see the results of our research efforts **since 1971**, see the **Impact Report** at:
**www.ucmonograph.org**

With gratitude,

_____

Dr.
