SMALL STEPS TO SUCCESS
Flexible Giving Program

2026 UCRF
Fundraising Campaign

Canadian Administrative Instructions for the 18th Annual Small Steps to Success Campaign!

PLEASE READ CAREFULLY AS THE ADMINISTRATIVE PROCESS HAS CHANGED FOR 2026

Thank you for participating in this important fundraising campaign!

The following website will allow Canadians to make donations online and receive tax receipts for any donation of $50.00 or more:

https://www.easydonate.com/upppercervicalresearchfdn/donate

For any personal donations, patients can donate directly using this website.

For in-office collections of donations, you must send the total donations you have received in your office from this year's campaign via **e-transfer** to The Ralph R. Gregory Memorial Foundation (Canada). (This email address is set for auto-deposit.)

E-transfers should be sent to: info@rrgfoundation.org

***Please email the names, addresses, and donors' email addresses for those needing tax receipts and include the amount of each donation to: info@rrgfoundation.org.**

We encourage corporation/company donations in Canada to the Gregory Foundation. As a registered nonprofit society, we can issue a receipt letter to verify the donor's donation as a legitimate business expense. Be sure to offer this option to all interested in supporting this campaign!

Direct Gregory Foundation payments may qualify as business expenses when they serve a legitimate business purpose, such as sponsorship, marketing or research collaboration. Eligibility is not automatic and is subject to CRA rules; donors should consult their accountant or tax advisor.

Questions and assistance
